

**Community Covenant Church Preschool and Parents Day Out** creates a warm, positive, nurturing and fun environment where each child grows in confidence knowing that she/he is safe and loved. We have designed our program so that students can enjoy all the educational benefits research proves comes from smaller classes and lower student/teacher ratios. Through our play based, developmentally appropriate curriculum, children are given opportunities to discover their own interests and make friends, while being prepared for their next level of learning.

**Our early childhood program** is for children 15 months to 5 years. Classes are offered Monday-Thursday with a variety of half day (9am-12pm) and all day (9am-2pm) options. Each child is seen as a unique individual, created by God. Our hands-on curriculum emphasizes creativity, science, literature, math, social skills, music and movement.

**Come and explore our classrooms**, meet the teachers, ask questions and learn more about our amazing Early Childhood Program.
