## U.S. News named Lakeview Village - Best for Superior Service & Care

### *Top 5% Nationwide to Achieve “Best” Status in Nursing and Rehabilitation*

LENEXA, KAN. – March 18, 2019 – Lakeview Village achieved top marks from U.S. News and World Report. Superior service and care by U.S. News named Lakeview Village as Best Nursing Home and Best Overall & Short-Stay Rehabilitation on a national evaluation.

U.S. News evaluated more than 15,000 facilities throughout the country and rated most of them in two different areas: overall care and short-stay rehabilitation.

Facilities were considered Best Nursing Homes if they were rated high performing in either the Overall or Short-Stay Rehabilitation rating and not rated worse than average in the other.

A total of 2,975 facilities were recognized by U.S. News as Best Nursing Homes – 1,837 in overall care and 1,874 in short-stay rehab. 736 nursing homes received this designation in both overall and short-stay care.

**Lakeview Village is one of 736 that received both honors out of 15,000.** Jamie Frazier, CEO said, “This doesn’t just happen – it is because of the service and dedication of our Lakeview employees on a daily basis. What a great accomplishment for everyone here at Lakeview Village.”
