ORGANIZATION'S MISSION

At Mirror, we believe in two essential truths that influence our approach.

We've faced our truth.

More than four decades of helping people with addictions has driven home one cold, brutally real fact: You cannot force someone to change. You can force compliance, but change comes from within. Compliance may be easier to achieve than change, but it doesn't last.

Now, face up to yours.

One other fact we're absolutely sure of is that you are capable of change. No matter how tight a hold addiction has on you. You may not believe it yet, but if you're here, reading this, we're convinced we can help you face the truth of your life, and to move forward.

The same is true if someone you love or are caring for is struggling with addiction. Mirror offers change-based help that can change everything.

COVID-SAFE IN-PERSON OPPORTUNITIES AVAILABLE TO COMMUNITY MEMBERS TO VOLUNTEER OR ASSIST THE ORGANIZATION.

We are operating at full capacity will following the recommendations of KDHE.

And coats, hats, and gloves would also be appreciated.

IS THERE ANYTHING ELSE YOU WOULD BRIEFLY LIKE TO SHARE ABOUT YOUR ORGANIZATION AND ITS NEEDS THAT MAY BE HELPFUL?

.....
We are in need of cold weather clothing items for several of our patients. Our patients come from a very diverse socioeconomic background and many of them are jobless and do not even own a coat, hat, or gloves.

Any items if that nature would be much appreciated. Thank you!
