Renewal by Andersen of Kansas City and Central Missouri

Recognized As One of the Best Places to Work in Kansas City

Custom Home Window and Door Replacement Company celebrates recognition

Lenexa, KS — September 8, 2021 — In a recent confidential employee survey hosted by the Kansas City Business Journal, Renewal by Andersen of Kansas City and Central Missouri Recognized As One of the Best Places to Work in Kansas City General Manager David Reber comments “Our management team are proud of this recognition by our teammates, and we value the relentless effort that each pour into our mission. We are all one team, charged with assuring that our neighbors receive a great experience with their window and door replacement projects. It really is a great feeling knowing our folks love working here and that passion is conveyed in our drive to delight our customers”

“Our entire staff is committed to helping homeowners get the windows and doors of their dreams and experience our Signature Service...it’s who we are. We strive to create a positive, winning culture and this recognition shows that we are on the right track. We’re so proud!” said Jacob Powell, Human Resource Manager.

Positive Impact Beyond Employment

The strength of Renewal by Andersen of Kansas City and Central Missouri are the people: from the top to the bottom, the employees have passion for the business, care deeply for the organization, and are empowered to make a difference – not just at work, but in the community, as well. Partnered with the American Cancer Society and Toys for Tots, the employees of Renewal by Andersen strive to help where needed.

Recently, Renewal by Andersen helped replace more than 100 windows in 46 rooms at American Cancer Society’s Hope Lodge, a cancer treatment recovery center in Kansas City. Says David Reber: “There are 165-plus families that make up Renewal by Andersen of Kansas City. It says a lot about our organization and who we are — and

how important the work of the ACS is — when each and every team member wanted to be present for this project.
