## **Benton House Senior Living Named One of the 2023 Best Workplaces for Aging Services™ by Great Place to Work® and FORTUNE**

Lenexa, KS; Olathe, KS – Great Place to Work® and FORTUNE have honored Benton House Lenexa and Benton House of Olathe Senior Living Communities as one of the 2023 Best Workplaces for Aging Services. This is the community's 3<sup>rd</sup> time in 4 years to be named on this prestigious list. Earning a spot means that Benton House is one of the best companies to work for in the United States.

Rankings are based on employees' feedback and reward companies who best include all employees, no matter who they are or what they do for the organization. Only 50 companies make the list each year.

Michael Allard, CEO of the Benton House family of communities says, "We are excited to win this prestigious national award for the 3<sup>rd</sup> time. Every year the honor reflects our organizational values and our magnificent team. But to win year after year demonstrates the consistency of our team's commitment to excellence and each other.

Benton House employs a number of unique approaches to showing appreciation. A highlight is the annual new car giveaway." Says Mike, "We offer a number of surprise gifts throughout the year to say thanks, but the new car giveaway is always a highlight and an emotional moment. This year will be our 5<sup>th</sup> year celebrating this event."

The Fortune Best Workplaces in Aging Services list is highly competitive. Great Place to Work selected the list using rigorous analytics and confidential employee feedback.
